

Call for Extended Abstracts

Special Session: Agent-based models and computational economics

42nd Annual Meeting of the Italian Association for Mathematics Applied to Economic and Social Sciences (AMASES)
September 13-15, 2018
Naples, Italy

Call for Papers

We sincerely invite you to submit a paper to the special session on **Agent-based models and computational economics** to be held at the AMASES2018 conference.

The main aim of the the special session is to stimulate discussion among scholars and practitioners who are interested in the application of agent-based models and computational techniques to the Social Sciences and and Economics.

The special session is particularly open to contributions that represent original research but also review papers and contributions that cover methodological aspects of agent-based modeling and computational techniques in the context of the Social Sciences and Economics are welcome.

Abstract Submission

Your are invited to submit an extended abstract of at most 2.000 characters (spaces included) in PDF format by **May 30, 2018**. Each speaker can give only one talk.

Required information include:

- Title
- Author(s)
- Affiliation (for each author)
- Institution address (for each author)
- eMail address (for each author)
- One to four keywords
- Up to 5 references

The extended abstract should be written in English and prepared according to [this LaTeX template](#), or with another word processor capable to produce [output in this form](#).

Submissions intended for this special session should mention the **session-code AB**.

Please name your abstract according to this format:

AB-[surname of the presenting author].pdf

Registration to the Meeting **by July 2, 2018** is mandatory in order to have the communication included in the final program.

Please follow [this link](#) to submit your abstract.

Conference Venue

The 42nd AMASES Meeting will take place at the [Pacanowski building](#) at the Department of Management and Quantitative Studies of the Parthenope University.

For further information on the conference venue and information on travel and accommodation please consult the [conference homepage](#).
