RANKING & ACCREDITATIONS

RANK 501 - 600 (2025)

RANK 611-620 (2025)

Participating in a mobility program at AAU was incredibly beneficial. Academically, the program provided me with access to a **diverse range of courses** and academic resources that enriched my learning experience. I had the opportunity to study under esteemed professors and engage in coursework that challenged me to think critically and expand my knowledge base. The academic environment at AAU fostered intellectual growth and encouraged **interdisciplinary collaboration**, allowing me to explore new fields of study and develop valuable skills.

Umar, 2023/24
Technical University Ilmenau (Germany)

“Over the course of 4 months, I made so many friends and met countless fascinating people who share similar interests as me. Finally, the knowledge that I gained in the University of Klagenfurt is unmatched: not only was I able to take courses I’ve dreamed of studying but didn’t have an opportunity to do so, but I also explored **so many new themes and aspects of studying in Europe** with the help of the most amazing professors!

Liana, 2022/23
V.N. Karazin Kharkiv National University
(Ukraine)

“My exchange in AAU opened up my eyes. In the beginning, I was still unsure about myself but shortly after I became more aware of how good I am and how much better I can do. In these six months, I did a lot of brand-new things, learned not only for my academic formation but also, I got some pretty dope lifetime lessons and **new experiences that I will forever treasure.**”
