

COVID-19 INFORMATION FOR INTERNATIONAL STUDENTS

ENTRY REGULATIONS

This info sheet provides summarized general information on the current entry regulations to Austria. As the provided information is collected from the relevant external sources and since provisions might change very rapidly, we cannot guarantee up-to-dateness and accuracy of the information provided. Make sure to **regularly check the current information on the relevant websites listed below and keep yourself updated!** Please also note that the information provided by the International Office does not replace legally binding requirements imposed by the Austrian government and is solely intended as an additional support for your better understanding.

General regulations

The so-called “3-G” rule (vaccinated, recovered or tested) was lifted on Monday, 16 May, for **arrivals from all countries that are not listed in Annex (Anlage) 1 of [the entry regulations \(German only\)](#)**.
