** In addition to the recommended courses, you can take courses to the extent of 8 ECTS in semester 1 and 6 ECTS in semester 2. (Thus, you can achieve a total of 60 ECTS within your first academic year)

*** Please note that some semester 1 courses are prerequisites to some semester 2 courses. You can find more information on that in the course descriptions (campus.aau.at) and in the curriculum pages 13 & 14 (English Version)

For enrollment: Please go to campus.aau.at and login with your username and password and click on "LV Anmeldung" to enroll in your courses.

For this study programme, there is an Introductory and Orientation Phase (STEOP). Before successfully passing the Introductory and Orientation Phase you can prepone exams to the maximum extent of 22 ECTS.

Attention: Be aware of cyclically offered lectures (Vorlesungen). Specific lectures will be offered only once a year, but you are able to take the exams on specific dates over the whole year. For further information please contact your institute/department.
