

# Prevention measures before and during the summer school

## Update (June 7, 2021)

In order to ensure the greatest possible safety during the Summer School, the following preventive measures have been taken:

### Before arrival:

- **Vaccination** is strongly recommended. Proof must be provided by means of an international vaccination certificate.

### At the beginning of the summer school:

- **All participants**, including those who have been vaccinated, must provide proof of a **negative PCR** test, which must not be older than 72 hours before the start of the summer school. The costs will be refunded on site, so please bring your receipt.

### During the summer school:

- Accommodation will be in single rooms at the Alp Hotel as well as in private accommodation (apartments, youth guesthouse, private rooms).

- Breakfast and lunch will be served at the Alp hotel. All those who are accommodated elsewhere should also go to the Alp Hotel for meals.

- About half of the lessons will take place outside.

- During the summer school, a **rapid antigen test (self test)** will be carried out for control purposes; there will be no costs for the participants.

- Most of the excursions will be **on foot**. For bus trips, the group will be divided. On Sunday, 25 July 2021, excursions which last several hours, will take place in several groups and with varying degrees of difficulty in the surroundings of Bovec. Bring hiking boots and appropriate clothing! The excursions are part of the optional part of the programme.

### Please note the following 3 updates:

- As of today (June 7): **FFP-2 masks** in classrooms and seminar halls

- In case of necessity: **cost coverage** for a **second PCR** test for the return journey.

- **Additional costs** in case of possible COVID-19 illness, retrieval or quarantine **cannot be covered**.

-In view of the pandemic, **moderate behaviour** is to be displayed and personal responsibility exercised is expected for the well-being of all. Gross violations of the safety measures announced on site may lead to exclusion from the summer school.

**Thank you for your cooperation!**
